WET OR DRY

Mr. W. D. Carn, our county superintendent of education, makes the assertion through the Ocala Banner that should the county go "wet" he would pay the expenses of calling and holding the "wet" or "dry" election.
 Now, if Mr. Carn is in good faith and wants this election ordered, if he will deposit with the county clerk one thousand dollars in currency, and no checks, that will prove to the voters of Marion that he means what he says. Money talks louder than words. I notice that Mr. Carn has a letter from Gainesville with a very few names, making the statement that the people there prefer it "dry" in Gainesville instead of open saloons. It seems to me that if that is a majority of the Gainesville people, there is but a very few people left to do business of any kind. I am sure there are not more than twenty or thirty names mentioned. A Heavy Tax Payer.

ROGERS - MANN

The Star has received a card announcing the marriage, Wednesday last, at Troy, N. Y., of Mr. Clarence M. Rogers to Miss Louise Francis Mann. The bridegroom is the son of the well known civil engineer, D. D. Rogers, of Daytona, who with his family lived in Ocala from 1899 to 1895. Young Mr. Rogers followed in the footsteps of his father, than whom there is no more accurate surveyor in the country. Going North several years ago he progressed both in the theory and practice of civil engineering until his engagements in responsible tasks became constant. He and his bride will be at home in Daytona after October 1. In common with the numerous other friends he made in Ocala during those of his boyhood years he spent here, the Star wishes Mr. Rogers and his wife all prosperity and happiness.

HAS BEENS WERE UP AGAINST IT

A Good Crowd Sees the Never Wases Win a One-Sided Game
 Mr. Victorious (O) Martinot and his attractive bunch of Has Beens bit the bitter of defeat yesterday afternoon on the South Third street diamond to the tune of 13 to 2. The defeat was administered by the crack Never Wases, who, by the way, are now called the "Whole Bear Hide." A rumor is afloat that Mr. Martinot's baseball enthusiasm has received a severe drenching, and he has been given the "pink" by the president of the Ocala league.

Charlie Moore, "the ladies' man," was all to the good at short yesterday, and proved conclusively that he can play all around the diamond.
 Howard Clark handled the sphere to perfection. Clark struck out about a dozen men and gave only seven scattered hits. His support was all that could be desired, only four errors having been made behind him.

The man behind the bat, Harry Bullock, held his own in more ways than one and the manner in which he took the ball of the bat was "too cute for anything." Harry is a coming professional.

Duval, for the Has Beens, pitched a good game, but his support was on the ragged edge of hard luck, and Bishop, at short, outside of making a basketful of errors and fanning three times, was there with the goods. He was also given the "pink slip."

From start to finish, with our "loving Hamp" on third there was a howl, a howl, and also a howl, but Hamp played good ball just the same.

Clarence Camp may never be a professional ball player, but when it comes to doing the slow-race and between home and first, he has the proverbial tortoise beat two city blocks.

Don Ford, at first for the Never Wases, held down the bag to fine effect, and his slick work was all that could be desired.

The battling of Harris and Vogt also deserves special mention, both making several two-base hits, and Duval, for the opponents, waxed furious with jealousy and kissed his chewing-gum good-bye.

Clarence Anderson played a fine second for the Has Beens, and never made an error.

Corn, in center for the Has Beens, was a knacker from his heart, and the way he tumbled and fumbled Pelet's long drive for two bases was grand and refined.

Jack Camp, in right, was out of sight, and had only one chance, which was accepted with ease.

Jake Gerig covered left field for the Has Beens. Gerig went after Morris' ball in great fashion, with his overalls of duck, but failed to relate the ball hit the ground.

McEhrbridge caught a beautiful game considering he was out of practice. McEhrbridge is said to be an excellent pitcher.

The game was umpired by El Carmichael with fairness to both sides.
